

YACHTS FOR CHARTER

SPRING / SUMMER 2017

YOUR NEXT CHARTER EXPERIENCE

by CAMILA FAWCETT

Charter ASTRA, the 55m Amels launched in 2014. Available with Imperial Yachts for the spring/summer season 2017.

This amazing yacht can accommodate 10 guests in 5 luxurious cabins. The superb interior was created by Laura Sessa, winner of the 2014 ShowBoats Design Awards and boasts a large sundeck with a Jacuzzi, bar, Teppaniaki grill, drop down TV screen and also a beach club with a steam room.

Contemporary exterior design created by Tim Heywood meets classic luxury. Built in Holland in 2014, this semi custom model is available for luxury charter in a multitude of destinations. As the sixth hull of the elite Limited Edition Amels 180 range, Astra exudes distinction while maintaining the premium reputation associated with the Master Dutch shipbuilders.

At 55m, the careful consideration of both exterior and interior design makes her beauty as notable as her seafaring ability. With a cruising speed of 13 knots and a transatlantic range of 4,500 nautical miles, ASTRA is an ideal vessel for fulfilling all maritime plans.

Exquisite attention to detail in all aspects of the build and design have created a true masterpiece. The detail of the finely chosen woods and classic nautical fabrics compliment the comfort of the outdoor space with an understated elegance.

The upper deck dining area is the perfect setting for alfresco dining or entertaining and is directly accessed from the stylish sky lounge complete with cinema screen, games table and baby grand piano.

With an en suite bathroom, office and lounge, the Owners suite is exceptionally spacious, providing a restful personal haven. The fold down balcony enhances the experience providing panoramic views of Astra's surrounding and an exclusive location to enjoy breakfast for two.

The colour and warmth of the Mediterranean that inspired interior designer Laura Sessa Romboli continues throughout the four guest cabins, each with a luxury en suite bathroom and accessible via a staircase in the main saloon, which is another classic feature.

When on the water, ASTRA offers endless opportunities to ensure a pleasant day in the sun with two tenders and a wide selection of water toys and sports equipment. For those that prefer to relax, Astra offers a steam room in the beach club and an on board beauty and massage therapist.
